Dear Parent/Guardian:

In an effort to move towards as much of a paperless school community as possible, we have created electronic forms to reduce some of the initial start of the school year paperwork. These forms and policies may be found on the Deal School website at dealschool.org. They will be located under the “**For Parents**” tab and on the right hand margin under “**Site Shortcuts**” heading. Below you will find information regarding each collection form that has been linked to the website for electronic submission. These are mandatory forms, so please take a few minutes to complete all three.

Student Emergency Contact Information:

This form must be completed in order to provide contact information for parents/guardians in the case of an emergency. This form will also ask for email addresses so that future information, typically sent via paper, may be sent electronically to parents.

Acceptable Use Policy Acceptance Form:

The Acceptable Use Policy may be found on the school website and should be read thoroughly by both parents and students. This policy has a series of permissions necessary for student use of Deal School technology. Once the policy is read the Acceptable Use Policy Acceptance Form should be used to sign off on the various permissions.

Laptop/Chromebook/Ipad Contract Acceptance Grades K-8 Form:

The Laptop/Chromebook/Ipad Contract may be found on the school website and should be read thoroughly by both parents and students in grades K-8. Once the policy is read, the Laptop/Chromebook Contract Acceptance Grades K-8 Form should be used to submit acceptance/acknowledgement of the contract.

If you have any questions or concerns, or have problems completing the forms, please do not hesitate to contact me at the Deal School at 732-531-0480.

Thank You,

Donato Saponaro
