

Do you like to... make, create, tinker, invent, code, design, construct, develop, and collaborate?

Join ***SISU!*** Together we will explore 3D printing, robotics, coding, maker projects, and more.

****There are 2 opportunities available:****

During School (Grades 2-8)

SISU will take place during RECESS.

Applications must be submitted & you will receive confirmation of the day(s) your child will attend.
