

FREE DENTAL SERVICES

for children ages 12 and younger

December 11, 2018

Dear School Nurse,

We'd like to make you aware of a remarkable program that is available to your students that might not otherwise have the means to visit a dentist for emergency or preventative care.

Every February dentists throughout NJ offer **free dental care** for children ages 12 and younger. In 2019, **Give Kids A Smile Day is Friday, February 1st**. There are over **100 participating dental offices** available for parents to schedule an appointment at a location of their choice.

Give Kids A Smile NJ would like to help your students start each school day with a healthy smile!

Parents and families can participate in GKAS by:

- Marking their calendar - Friday, February 1st, 2019
- Calling the location of their choice to set up an appointment
- Visiting our website www.njda.org/gkas for more information

Attached is a list of all participating locations. Please copy and distribute this list to your students.

Additional information is available on the New Jersey Dental Association website: www.njda.org/gkas.

Best regards,
Cavan M. Brundsen, DMD
Statewide Chair, GKAS NJ

Give Kids A Smile is a program of the American Dental Association Foundation. Locally, the program is administered by the New Jersey Dental Association and supported by Colgate, Delta Dental of NJ, Henry Schein Dental and private donors.
