

# Full STEAM Ahead:

## GOING PLACES CHALLENGE

This challenge is open to all the **CREATORS** at Deal School in grades K-8! Using curiosity and playfulness, design and build a creation that will help you **"GO PLACES"**. You have the month of March to dream big!

Submissions are due

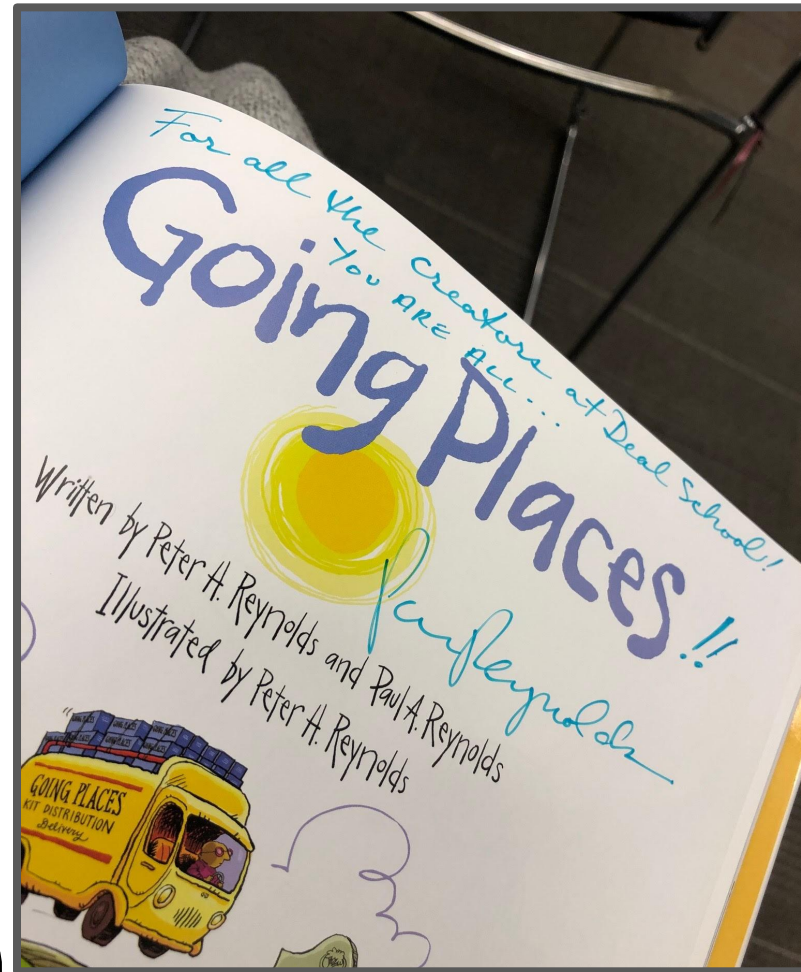

Monday, April 1ST in the Steam Studio.

"STEAM STANDS FOR

SCIENCE, TECHNOLOGY, ENGINEERING, ARTS, AND MATH.

ADDING THE "A" FOR "ARTS" TO "STEM" MEANS

USING IMAGINATION AND CREATIVITY TO PROBLEM SOLVE AND MAKE NEW DISCOVERIES ACROSS SUBJECTS."
