K-2 VIRTUAL MUSIC EXPECTATIONS

K-2 Students should login to Seesaw for the day's assignment. If we are having a Zoom session that day the link will be posted there. I will try to send out announcements the night before if I plan on using Zoom that day.

QUAVER'S MARVELOUS WORLD OF MUSIC

Quaver Music is a program that we use in class and students have access to their own accounts to complete assignments, activities, games and more. For now 1st grade and 2nd grade students will use their Quaver accounts. Kindergarten will be introduced later this school year.

ACCESSING QUAVER

Always go to Quaver Music through Classlink

DEAL SCHOOL MUSIC

3RD, 4TH, 5TH, 6TH, 7TH AND 8TH VIRTUAL EXPECTATIONS

For more information visit the [Music](#) page of the Deal School website

- Students should always login to their school device when class starts and go directly to Google Classroom. Students should remain logged in and working on Music assignments and activities throughout the class period.
- Students are graded based on participation and the assignment for the day. Any part of the lesson not finished during the class period will become Homework.
- Please email me if a student is going to be absent from the class. Their work will still be posted in Google Classroom and must be completed as Homework before the next class.

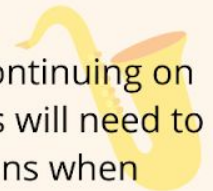

UKULELES, GUITARS AND KEYBOARDS

5th, 7th and 8th grade students who have been given an instrument to keep at home should remember that it is a school instrument and should be cared for carefully. Any damage or normal problems such as a broken string should be reported to me immediately so it can be fixed.

DEAL SCHOOL BAND

For now Band will only be an option for 5th-8th grade students who are continuing on an instrument. You will be receiving more information very soon. Students will need to commit to signing up for Zoom sessions on Wednesday or Friday afternoons when they do not have a class. MORE INFORMATION COMING SOON!!

FREQUENTLY USED PROGRAMS IN MUSIC CLASS
